

## Children Staying for Lunch/wrap around at Stanley Grove Nursery

Most frequently asked questions by parents:

1. Can my child have a hot lunch?

We do not provide hot lunches. Your child will need to bring a healthy packed lunch with them. If you wish your child to have something hot to eat you can send food such as soup in a small flask.

2. How will I know if my child has eaten all their lunch?

The adult supervising the lunchtime session will put food not consumed back into the lunchbox so that parents can see what has been eaten.

3. When do I bring my child's lunch box into school?

If your child is staying all day please bring your child's lunch box into school at 8.30. It will be stored for them until lunch time. If they are coming into school for the lunch time session, please bring it then.

4. How often will my child be changed if they are staying all day?

If your child is on a Nappy Plan they will be changed in line with the agreed plan. If they are not on a Nappy Plan but have a toilet incident they will be changed when needed.
