Name of applicant: Ella .K

Class: 5

Why are you applying for this role? Reading is very important to me and I want to promote it throughout school.

What qualities do you have that will make you the best person for this role?

I got excellent scores in my reading assessments (for spring) and I at least try to read every night.

Reference (must be a member of staff - not the Head or Deputy Head Teacher)

I think that Ella would make an excellent reading leader. She works very hard in reading sessions and has a love for reading. Ella has a lovely, fluent reading style, which younger children (all children) could aspire to. I would also trust Ella to communicate effectively with parents and children alike.
