Dear parents and carers,

It has been a fantastic week in school, the children have all settled into their new classrooms. Year 6 are excited about their new junior leadership roles. We are incredibly proud of the efforts all our children have put in this week.

We welcomed the wonderful Tracey Hamer into school today, or as the children know her, Mrs Music. She reached out to us after she saw our climate change challenge on twitter. Our Head Boy and Girl were thrilled to meet and introduce her to our school. Mrs Music came into school to do music sessions with the children. We are delighted that she has written a song especially for us, which the children have been learning today, which is linked to our climate change work.

Attendance

Thank you for those parents and carers who have contacted the school office before 9am to report absences, it really is appreciated. Please continue to email the office to inform us if anyone other than a parent is collecting (e.g., grandparent, a friend, childminder) so that this speeds up the dismissal process.

If you are sending in a message about a child, would you please include the child's full name and class. If your child is late arriving to school, please come to the school office.

And just a reminder that holidays will not be authorised in term time – please refer to the school policy for details of the penalties applied for term time holiday/unauthorised absences.

The purpose of the coffee morning will be to share what the service has to offer. This is a fantastic opportunity to talk to them as well as staff at school and see what wider support is available. The areas WFT can support with include:
