Dear parents and carers,

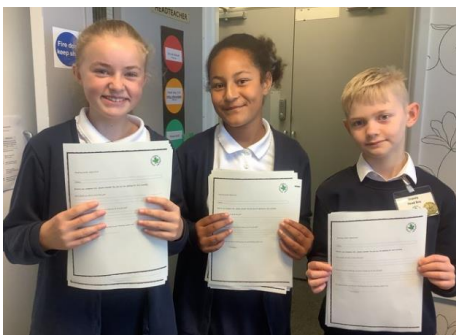

Accomplish Trust

This is the last time I write to you under Stanley Grove Primary and Nursery School, as next week our school will be reopening as Stanley Grove Primary and Nursery Academy. You will have noticed the new signs going up and we are looking forward to a lovely day of celebration with the children. I can continue to reassure you that your child's school experience will continue to be at the heart of everything we do here as a Stanley Grove Team, and we look forward to sharing our wonderful work, curriculum and expertise with others in the Accomplish Academy Trust.

As we join the Trust, there will be a change in our Governing Body. Two members, Mr Nawaz and Mrs Payne, will be moving across to the Accomplish Trustee Board. Two members, Mrs Walton and Mr Morley, will be leaving the governing body; Our Chair, Mrs Webster and Mr Robinson, will be staying on the Local Governing body. The governors of Stanley Grove have always worked tirelessly for the school and have been a tremendous support to the children, staff and to me as Headteacher. Those leaving will be missed, but will continue to support us and work with us in the community. I personally want to say a huge thank you for the time and effort that all of the governors have put into the school. This is a voluntary role, but crucial to the safety and education of all staff and pupils who work here and we owe a great deal to all of them.

Curriculum.

On Monday morning, we had an assembly led by our Stanley Planet Savers. Such a clear message and delivered so well. Thank you for your dedication and climate message and for sharing your plans for this year

Our Junior Reading Leaders are very keen to find other children who are passionate about reading. Monday they were handing out application forms to see who wants to join the junior reading team.

Year 1's local hero is Barbara Hepworth. We have created our own #familyofman sculpture. Can you tell which is ours? We are very excited to see her real work on our trip next week!

Year 1 had some lovely time in their secret garden. They answered lots of questions about their senses as we are exploring these in science.

Class 3 enjoyed their visit from Kelly at Wakefield Museum. They learned all about Charles Waterton; saw some interesting creatures and made bird feeders to help birds in their gardens.

Y4 had a fabulous day at Yorkshire Sculpture Park. We studied the works of Henry Moore, Barbara Hepworth and many more. We even had chance to be sculptures for the day and make our own Stanley Grove Sculpture Park.

Holiday Camp

Jerry Clay Academy have a holiday camp running in the October Half Term Monday 30th till Thursday 2nd 9am till 4pm

- Active and fun with campers taking part in exciting and varied games from UK & US
- Delivered by specialist Level 2 sports coaches
- Themed days throughout the week, including Halloween costume competition!
- Safe with staff trained in First Aid and Safeguarding

Book now £22 pp per day – see previous hub for further details
