

Wakefield Parent Carer Forum

Since 2012, KIDS have been supporting parents' voices to be heard in the Wakefield area.

Last year a group of parents felt that it was important for parents to run their own group and started the process to become an independent forum supporting families with children with special educational needs and/or disabilities. As of April 1st Wakefield Parent Carer Forum has been relaunched.

Wakefield Parent Carer Forum is led by a Steering Group of parents who are looking forward to listening to, and representing the views of parents, young people and children in the future. These parents all have a wide experience of what it is like to be a parent of a child with an additional need or disability in the Wakefield area.

We want to work together with you to make a positive difference and improve the quality of life for all children and families in Wakefield. We understand we are living in unprecedented times, if you need help or support please email us info@wakefieldparentcarers.co.uk we would love to hear from you.

Kindest Regards,

Wakefield Parent Carer Forum
