Dear parents and carers,

We would all like to congratulate Mr Reynolds on the birth of his healthy baby boy.

Change of Inset Day

Just a reminder that we are looking to change one of our arranged inset days to allow for the delivery of some training to staff which can't be delivered on the planned date. The inset day on **22nd March**, will now take place **on 23rd Feb**; It isn't something we do very often, but I am sure you understand the importance of using our inset days to deliver the highest quality training to staff so it has the biggest impact on our children and curriculum, so thank you for your understanding in this matter.
