

Evidencing the Impact of the primary PE and Sport Premium. Website reporting Tool 2023-2024 Stanley Grove Primary and Nursery School.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school's budget should fund these.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding, including any under-spend from 2023/2024, as well as on the impact it has on pupils' PE and sport participation and attainment. **All funding must be spent by 31st July 2024.**
