

### Year 4's Class Agreement.

We have the right to a happy classroom where we can all learn and where everyone feels included, respected, happy and safe.

To achieve this we all agree that we have a responsibility to:

- ❖ keep our classroom (drawers and tables) and cloakroom tidy.
- ❖ Sit smartly and sensibly at all times. Keep hands and feet to ourselves.
- ❖ listen to each other and take it in turns to speak. Look at the speaker. Don't talk or shout out when the teacher or another person is talking. Be respectful.
- ❖ remember not to distract ourselves and others.
- ❖ Move sensibly around the classroom and school (no running).
- ❖ Keep noise levels low for a calm classroom.
- ❖ Always aim high and work hard! Take pride in our work, make sure it is of a high standard and finished in the time given. Never give up - have an 'I can' attitude.
- ❖ treat everyone with respect; be polite, patient, kind, helpful and honest at all times. Use our manners (please and thank you). Respect each other.
- ❖ be friendly and helpful towards others, let them join in and help them feel included. Play nicely together.
- ❖ remember to treat school resources and property with respect (look after our things and don't litter). Respect the privacy of others.
- ❖ try to turn up on time and always come to school (unless we are ill!).
- ❖ Be happy!
