

Next Steps for 2024-2025

Junior Leader Development to include House Captain and House team work linked to our behaviour and attitudes priorities.

QUALITY OF EDUCATION – To further refine the curriculum intent and implementation so that all pupils, particularly the most vulnerable know more and remember more.

QUALITY OF EDUCATION – To further secure the high quality practice in the teaching of reading across the school so that all pupils become readers by the time they leave KS2.

QUALITY OF EDUCATION – To implement the recommendations from the Writing Framework 2024 so that pupils are fluent transcriptional writers by the end of KS1 and are therefore ready to develop their writing for purpose across a range of genre.

QUALITY OF EDUCATION – To further secure the teaching of maths across the school so that the lowest 20% pupils secure the expected standard in maths by the end of KS2.

GOVERNANCE - Further strengthen the knowledge of the Local Governing Body through the use of anonymised Anchored tracking tools that support them in their leadership understanding of the work completed in school.
