Our School Vision

Ready for school, ready for life!

Our pupils are well prepared for school and living in our community. They grow up being:

Happy and confident with a positive attitude

Proud of their achievements

Respectful and empathetic, with the ability to communicate and socialise effectively

Responsible for their own actions and the impact they have on others, our community and the environment

Independent, hardworking, literate and numerate

Keen to learn and achieve success

Healthy and enjoying an active lifestyle

We have the right to feel safe, to learn and be respected.

Our School Mission

Things that we hold dear for our pupils

Reading to the children every day

Playing outside – even if it is drizzling or snowing

Experiencing regular Forest School and outdoor learning sessions, with input about sustainability and the effects of our actions on the planet

Showing and feeling respect for ourselves, others and our community

Developing resilience and well-being strategies it is ok to fail as we learn from our mistakes. Access to support where needed

Having an 'I can' attitude and doing everything to the best of our ability

Feeling cared for and supported

Offering opportunities that children might not otherwise experience.

Teaching that everyone is unique and we celebrate our differences together.
