

The background features abstract, overlapping geometric shapes in various shades of blue, ranging from light sky blue to deep navy blue. These shapes are primarily located on the right side of the frame, creating a modern, layered effect. The rest of the background is a solid, very light blue.

Creativity

22.04.25

Are you creative?

Can you draw?

Can you paint?

Creativity is one of our learning traits for this half term.

Creativity means using your imagination to make or think of something new and fun.

It can be drawing, building, dancing, writing stories, or even solving problems in your own special way!

Jackson Pollock is a famous artist.

He is known for his creative thinking.

Seeing three people in front one of his paintings helps you understand the size of them.

The Dot

The Dot

*Vashti didn't think she could draw but when she made a dot and her teacher believed in her. She started using her imagination to create amazing art. That's **creativity!***

*Just like Vashti, when you try new things, use your imagination or make something you're being **creative** too!*
